Re: MUR 6345
Chris Nwasike for Congress

Dear Mr. Asher:

This letter confirms two voicemail messages left with your office on December 16, 2010. Your December 16, 2010 request for an extension of time to reply to the commission's follow-up notification letter in this matter is hereby denied.

The complaint which names both Chris Nwasike and Chris Nwasike for Congress was sent to your clients in August 2010. You filed designations of counsel on behalf of both clients on August 26, 2010. After receiving an extension of time, you filed a September 16, 2010 response on behalf of Chris Nwasike for Congress.

In November 2010, we became aware that although the complaint names both of your clients, the notification letter only referenced Chris Nwasike for Congress. We brought the omission of Mr. Nwasike name to your attention in a November 30, 2010 telephone conversation, and asked if Mr. Nwasike wished to file an additional response. At that time, you indicated Mr. Nwasike probably would rely on the September 16, 2010 response. Nevertheless, we advised you of the opportunity to submit any further response within 15 days. We also sent an additional notification letter providing you with another copy of the same complaint.

Given that you have had the complaint for more than nearly four months, there is no basis for granting the further requested extension of time. Accordingly, any additional response that Mr. Nwasike might wish to file remains due today, December 17, 2010.

If you have any question, please call Mark Shonkwiler at 202-694-1650.

Sincerely,

Mark Shonkwiler, Esq.
